

IN THE CLAIMS:

~~In~~ Claim 2, line 2, please correct the spelling of "accorance" so that it reads  
-- accordance --.

~~In~~ Claim 3, line 1, please delete the phrase "or Claim 2" so that Claim 3  
depends only on Claim 1.

Please cancel Claim 17 and substitute new Claim 19, written below.

~~18~~  
-- ~~19~~ (New) A method for the treatment and/or prevention of a clinical  
condition for which selective agonism or antagonism of 5-HT<sub>6</sub> receptors is indicated  
comprising administering to a patient in need of such treatment an effective amount of a  
compound, or a pharmaceutically acceptable salt or prodrug thereof, having a structure in  
accordance with Formula I as defined in Claim 13. --

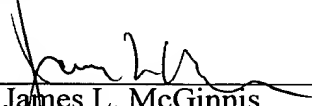

REMARKS

The claims have been amended to correct obvious spelling errors and to  
eliminate multiple dependent claims. Claim 17 was canceled and rewritten as a method of  
use claim. None of these amendments constitute new matter.

Examination on the merits is respectfully requested. If the Examiner wishes  
to discuss any matter regarding this application, the Examiner is invited to telephone the  
undersigned.

Respectfully submitted,

By
